kristyna-kramer

General skills

- Logical and analytical thinking
- Problem solving
- Data analysis
- Quick comprehension
- Math skills
- Teamwork
- Teaching and presentation skills
- Grant proposal writing

IT skills

- **Python** (incl. DA libraries, e.g., Pandas, Numpy, Matplotlib, Seaborn, Plotly)
- **SQL**
- **MS Excel**

Languages skills

Czech — Native

English — C1

German — C1

Italian — B1

I consent to the use of my personal data for recruitment purposes, in line with the GDPR (EU) 2016/679.

Professional profile

Ph.D. mathematician with seven years of research experience from Germany, Canada, and Czechia. Strong analytical and problem-solving skills. Practical data-analysis skills in Python, SQL, and related tools. Prior experience with writing mathematical textbooks and creating digital learning materials. Fluent in English and German, intermediate (and improving) level of Italian.

Training as data analyst (since January 2026)

Full lists of courses and portfolio projects can be found on my webpage.

Selected courses:

01/2026 – 10/2026	**Data Scientist: Analytics** (Codecademy) Introduction to all aspects of data analysis through hands-on projects. Python programming, SQL, statistical analysis, data cleaning and manipulation with Pandas, data visualisation.
05/2026	**AI in Data Analysis** (Czechitas)
02/2026 – 03/2026	**Python for Data Analysis** (Czechitas, certificate) Libraries: Pandas, Seaborn, Matplotlib.
02/2026 – 03/2026	**SQL** (Czechitas, certificate)

Selected projects:

- **Life expectancy and GDP** (blogpost)
  Analysis of life expectancy, GDP, and population. Interactive plots including a bubble chart with time development, created in Python (Plotly).
- **Analysis of heatwaves** (blogpost, interactive app)
  Interactive analysis of high temperatures created in Python (Seaborn, Streamlit).

Research positions in mathematics (2018 – 2025)

Conducting independent research: formulating problems, analyzing structures, constructing new theories, presenting at conferences. Published 12 articles in peer-reviewed scientific journals. Obtained a competitive 2-year fellowship in Canada. Taught multiple university courses in Czech, English, and German.

06/2025 – 12/2025	**Charles University** (Prague, Czechia)
01/2024 – 08/2024	**University of Victoria** (Victoria, Canada)
01/2023 – 12/2023	**University of Alberta** (Edmonton, Canada)
10/2018 – 12/2022	**TU Dortmund University** (Dortmund, Germany)
09/2018	**Max-Planck Institute for Mathematics** (Bonn, Germany)

Education

2018 – 2022	**TU Dortmund University** (Dortmund, Germany) Ph.D. in Mathematics
2015 – 2018	**Charles University** (Prague, Czechia) M.Sc. (Mathematical Structures) Graduated with distinctions, Dean's prize
2012 – 2015	**Charles University** (Prague, Czechia) B.Sc. (General Mathematics)

Other Experience

10/2026 – now	Tempio del Futuro Perduto (Milan, Italy) Volunteering Collection, sorting, and redistribution of used clothing.
01/2013 – 08/2018	Publishing house Didaktis (Czechia) Author of textbooks Textbooks on mathematics for high schools. Part-time job.
03/2016 – 12/2017	Techambition (Czechia) Creator of online study materials Designing creative online lectures on mathematics for high school students. Part-time job.
